Dear Seniors:

Warmest congratulations to you on your outstanding achievement as members of the Graduating Class of 2021. I write this letter of encouragement with thoughts of all the hopes and dreams you will have in the future. We are so incredibly proud of you! You have proven to be outstanding in so many ways this school year. You conquered face-to-face learning, virtual learning, Nearpod, Edpuzzle, Google Classroom, Google Meet, and so much more. You have spent the last four years deep in Jaguar culture while working diligently to be the model senior class. Keep your heads up and lean on one another. As Freshmen you STARTED STRONG; as Sophomores you did your part of BEING STRONG; as Juniors you weathered the storms and STAYED STRONG; and now as Seniors you completed the final leg and FINISHED STRONG!

I encourage you to prepare for your future hopes, dreams and experiences. Leverage your youth and opportunity to recreate yourself in light of who you want to be. Your future does not occur by chance. It occurs by preparation. Don’t wait for your future to happen: make your future happen.

I am honored to have served as your Principal. Again, I congratulate you on your accomplishment.

Sincerely,

Tekmekia Gilchrist
Principal, NMHS

Dear Seniors:

At the conclusion of the program, we ask guests to remain seated until the graduates have left the field. For the health and safety of everyone, please do not congregate on the school campus after the ceremony.

Dear Class of 2021 Graduates, Family and Friends:

On behalf of Douglas County School System teachers, administrators, and our Board of Education, I welcome each of you to the commencement ceremony for the Class of 2021. Graduation is the most exciting time in the life of a school system. The teachers, administrators and Board of Education members join you in celebrating the success of the Class of 2021. Together, we celebrate the commitment we have made to setting high expectations for students. This commitment has fully prepared our graduates with the tools they need to achieve a powerful future.

Graduates, we hope that during your education you embraced being part of an educational community that cares deeply about you. This community shares an unwavering commitment and passion for inspiring greatness in every student. Whether you plan to go to college, technical school, the military, or straight into the workforce, your teachers have taught and instilled values that will help you forge your own path to success.

There are many traditions that make the last two years of high school special that you have missed, but you have grown stronger during this trying season, even if you do not know it yet. It may be little comfort for you today, but years from now, you will reflect on your last years of high school and have quite a story to tell of living through a global health crisis. The coronavirus pandemic is world history that you are living through – but it is also simply a season in your life, and seasons change. This season is one of many comprising your high school career; with all of them preparing you for adulthood. As you enter adulthood, I wish you happiness, good health and success.

Parents and families, thank you for entrusting your children in our care. Our educational community is dedicated to preparing students for success, but it takes a partnership. Your support of our efforts helps us better serve students and prepare them for a successful future. My hope is that together we have produced young adults who will lead and serve with honesty, integrity, respect and compassion.

Thank you for joining us as we celebrate the Class of 2021!
Congratulations, graduates!

Sincerely,

Trent North
Superintendent
