WELCOME BACK!

We are so excited to have all of our Jaguars back in the building for a new school year! Please make note of the following procedures at FMS:

★ Students cannot be dropped off at school before 8:30 AM each morning unless they are registered for the Before School Program (BSP). Get registered here: FMS BSP Registration

★ All car riders should be dropped off and picked up on the GYM side of FMS. No student should be dropped off in front of the building before 9 am each day. The front of the building is for buses only each morning until 9 am. Parents - please do not let your student out of the car at any other spots during morning drop off. Doing so can cause serious safety issues.

★ We have updated our traffic pattern for drop off & pick up! Click here to see it.

★ Lockers will be issued starting Monday, August 7th. After this time, students will not be allowed to have their bookbags with them during the school day. All bookbags will be kept in the student’s locker until the last class of the day.

★ All students should charge their Chromebooks each night at home.

★ Students are not allowed to have an electronic device with them during the school day. They should be kept in their lockers and should be turned off or on silent. Devices that are seen or heard will be confiscated and taken to the office for a parent to pick up between 8:15-5:00.
