Registering for and Managing your After School Program Account Online

Douglas County School System is transitioning to a new online tool to register and manage your After School Program account. Below are some tips for creating a family profile and managing your account.

**STEP 1**

Create Your Account Profile

1. Browse to the website: https://dcssga.ce.eleyo.com

2. Create your profile by selecting Sign In (top, right corner).

3. To create a new profile, log in with Facebook or Google -or- select Create One Now.

4. When creating an account within the system, you will be required to enter your basic contact information including an email address (used for logging in) and a password. If your email address is recognized, use the Send Forgot Password Email to receive a password set email.

5. Complete the profile form and select Create Account.

   *An email will be sent from Eleyo with a link to verify your account. Use the Verify Your Email Address button on that email to verify your account.*

**STEP 2**

Add Family Members and Emergency Contacts

1. If you are not already on the website, browse to https://dcssga.ce.eleyo.com and login with your email address and password by selecting the Sign In button.

2. Select your name in the top right, corner of the screen then select Your Account/Relationships to view your profile.

3. Use the Add a Relationships button to add all family members. **When adding a grade for the school year 2018-2019, please select the grade your child is currently in (Fall 2018). Remember we only accept students enrolled in the school grades Kdg – 5th grade.**

4. Select the Create Person button.

5. After you have finished setting up the people associated with your profile, select the Explore button under Account Management, then select Explore All Programs then Your Dashboard.

6. On the left, under the Manage Family Members section, use the Add Emergency Contacts
button to add new emergency contacts. Use the *Edit Emergency Contacts* button to update that information. In order to prevent creating duplicate users in the system, when adding an emergency contact that is already part of your profile, please search for the name then select from the list of existing users that are presented.

**STEP 3**

**Register for After School Program (ASP)**

1. Select *Explore all Programs*, select *After School Program (ASP)* and select *Register*.

2. Walk through the registration, completing the location, schedule type, agree to terms and conditions, and complete any registration questions.

3. Submit your child’s contract for approval. The registration fee is an annual fee, per family due when they sign up for the program.

4. Follow the same steps to register additional children for the program.

**Account Management**

Below is an example of what your After School Program (ASP) Dashboard may look like. You can manage contracts, requests for drop-ins, preview and pay invoices, manage auto-pay and authorized pickups, and download tax statements or receipts.

**Payment Options:**

You can choose to pay your after school accounts online each week, set up auto pay if the account is under a certain amount or you can elect to pay in cash/check/credit at the school each week. The program is pre-paid and needs to be taken care of by Friday before the next week.
After School Program (ASP)
Account #1002

Account Management Tools:
- Register a New Contract
- Register Drop-in Days
- Manage Authorized Pickups

Current and Upcoming Contracts:
- Kaylan Radtke
- Annette Winn Elementary
