School Plan for Shared Student Achievement

What is it? This is a plan that describes how Stewart Middle will provide opportunities to improve parent engagement to support student learning. Stewart Middle values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Stewart Middle will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? Stewart Middle welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during several parent meetings and activities throughout the school year and as well as during PAC meetings.

Who is it for? All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Stewart Middle will provide full opportunity for the participation of families with limited English, parents with disabilities and parents of migratory children.

Where is it available? At the beginning of the year, the plan is sent home with a copy of the LEA (District) Parent and Family Engagement Plan and the Title I School-Parent Compact with all students. It is also posted on the Stewart Middle School website, and additional copies are available in the Parent Resource Center.
2022-2023 District Goal
The percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestones (GMAS) English Language Arts and Math End of Grade Assessments will increase by six percentage points.

2022-2023 School Goal
Stewart Middle School will increase the percentage of students scoring at Proficient or Distinguished Learner on the Georgia Milestones (GMAS) English Language Arts and Math End of Grade Assessment by six percentage points.

School-Parent Compacts
As part of this plan Stewart Middle and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers and during the Parent Advisory Council meeting.

Please be advised that dates and times are subject to change due to inclement weather.
Parent and Family Engagement

Stewart Middle believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring –

• That parents play an integral role in assisting their student’s learning.
• That parents are encouraged to be actively involved in their student’s education at school.
• That parents are full partners in their student’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their student.
• The carrying out of other activities as described in this plan.
• That we adopt and implement model approaches for improving parent and family engagement, as well as training of parents to enhance the involvement of other parents and family members.

Stewart Middle is committed to helping our families attend the parent and family engagement activities listed in this plan. Please contact us if you need assistance with childcare or transportation in order to participate in our programs.

Stewart Eagles are Soaring!

Stewart Middle will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will –

✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, and posted on the school website.
✓ Conduct staff development on parent involvement practices and effective strategies for staff to communicate and build partnerships with parents.
✓ Share information in English and Spanish on the school website and in print media for parents to understand the school’s academic standards and assessments as well as the ways parents can monitor their student’s progress and work with educators.
✓ Communicate with all families and the community on a regular basis regarding school wide events and activities, such as phone messages, emails, and school website post.
✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parental involvement.
✓ Provide necessary materials for parents at conferences, meetings, and activities to help parents work with their student to improve their student’s achievement.
✓ Collaborate with our partners in education to increase participation and awareness of the school parental involvement plan and activities.
✓ Listen and respond to parents’ requests for additional support for parent and family engagement activities.
✓ Encourage parents to volunteer and participate in their student’s school and have at least one conference with their student’s teachers.
✓ In cases where the students reside in a Neglected and Delinquent residential facility, a representative from that facility can serve as a proxy for the parent(s).
**Parent and Family Engagement Standards**

Stewart Middle and our families have adopted the National PTA Standards for Family-School Partnerships as the school’s model in engaging parents, students, and the community. These standards are –

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community
