**What is a School Parent Compact?**

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Turner Middle School Parent Compact:

- Is linked to the goals on the school improvement plan.
- Focuses on student learning skills.
- Describes how teachers will help students develop those skills using high-quality instruction.
- Shares strategies parents can use at home.
- Explains how teachers and parents will communicate about student progress.
- Describes opportunities for parents to volunteer, observe, and participate in the classroom.

**How is the School Parent Compact Developed?**

Turner Middle School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office).

For more information about the Compact or about submitting input, please contact Mrs. Cook at (770) 651-5505 or (770) 651-5504.

**Building Partnerships**

Turner Middle School provides many opportunities that parents can utilize to help their children succeed. The Parent Resource Center (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as Literacy Nights, Math and Science workshops, Homework Help and Test Taking Strategies. Turner Talk and the Parent Post is a newsletter that is sent home that includes more information on family engagement activities at our school.

**TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS**

**IN OUR SEVENTH GRADE CLASSROOM**
The seventh grade teachers will work with students and their families to support student success in ELA. Together we will work to maximize learning through careful monitoring of a safe learning environment. This will be accomplished by:

- Teachers will provide students with a list of additional vocabulary words weekly.
- Each week sending home one additional story for students to change the point-of-view from which it is written, and orally share this with members of the family.

**AT HOME**
Turner Middle School parents joined staff to develop ideas about how families can support students’ success in all academic content areas. Some of our key at-home activities and expectations includes the following. As a parent:

- I will play word games with the vocabulary words sent home and find ways to use these words in a family friendly conversation.
- Each week I will listen to one story my student orally shares that he/she has changed the point-of-view from which it is written.

**TURNER MIDDLE SCHOOL STUDENTS**
Turner Middle School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading and math. Students thought of the following ideas to make connections between learning at home and school. As a student:

- I will keep a log of the vocabulary words sent home and use these new vocabulary words in conversations.
- Each week I will orally share with my family a story that I have changed the point-of-view.

**DO YOU HAVE QUESTIONS ABOUT YOUR CHILD’S PROGRESS?**
