Hello Parents and Students!

End of Course (EOC's) are fast approaching! Please review the information below if your student is taking one. We will test on campus while practicing social distancing guidelines. Students who have been working digitally will be coming on campus for their exams. Please make sure they have a mask on that day.

Reminder: Student half days start on 12/15-12/17.
Digital Learning Days for Non-testers 12/10-12/11 and 12/14-12/18

Sincerely,
Dr. Touchard
Principal

EOC Testing Update

- Students who are currently taking the following courses must take the Georgia Milestones End-of-Course (EOC) assessments:
  - American Literature Part 1 (12/10) Parts 2&3 (12/11)
  - Algebra (12/14)
  - US History (12/15)
  - Biology (12/16)

Preparing for the EOC

- The Georgia Department of Education has a Study Guide for each subject that can be found below: https://www.gadoe.org/Curriculum-Instruction-and-Assessment/Assessment/Pages/EOC-Study-Resource-Guides.aspx

Transportation

- Students who need transportation to school for the EOC may catch their regular bus to their base high school. Once they arrive at the base school, PLC Students will take the PLC bus from their base school to the PLC and vice versa in the afternoon.
• Buses will run on the regular schedule. So, if it is a full day of school, students may be picked up from the PLC by a parent after their EOC. Otherwise, the buses will run at the end of the school day and students will follow their bell schedule to attend classes for that day.
• Mask are required when riding the bus.

SBDL or F2F 2nd Semester
The SBDL (Site-based Digital Learning) option is still available to you for the 2nd semester. If you desire to change your option please notify your advisement teacher.
