

Georgetown County School District
School Health Services- Department of Special Services

CARVERS BAY HIGH SCHOOL

OPT OUT FOR HEALTH SCREENING

Date: **January 23, 2023**

Dear Parent/Guardian:

Each year, our school partners with the Horry Georgetown Technical College Nursing Program to complete SC DHEC recommended mass screenings on students in identified grade levels. This year we will be screening hearing, vision, blood pressure, weight, height and BMI on **9th grade students on February 16, 2023.** If any part of the hearing, vision or blood pressure screening is abnormal, the school nurse will repeat the screening and notify you of the results and steps for formal evaluations with a primary care provider. Please note that results of screenings are confidential and are not discussed with persons other than the parent/guardian.

Please complete the bottom and return this letter to the school nurse by *Wednesday, February 8, 2023*, if you

DO NOT want your child to participate in mass screenings. If you have any questions or concerns, please do not hesitate to contact me at 843-558-6920, or via email at dgreene@gcsd.k12.sc.us.

Thank you,

D. Greene, RN, BSN

School Nurse

Student Name: _____ Date of Birth: _____

_____ **I DO NOT** give permission for my child to participate in mass screenings at school.

Signature of Parent/Guardian: _____ Date: _____

Home Phone: _____ Work Phone: _____
