Cheers for Pioneers

The overwhelming 15,000 votes for Mooresville to be on Operation Football Sunrise last week turned into an unprecedented crowd of more than 300 MHS students on the football field at 6a.m. Friday. WTHR's Dominic Miranda noted Mooresville had the biggest crowd they've seen on the program.

Earlier this year Mooresville received the National Unified Champion banner for meeting 10 national standards of excellence, including engagement and respect for all members of the student body and staff, an inclusive school climate, and much more.

The Unified Sports convocation included time to talk with athletes and celebrate their success, as well as some fun and a student dance off competition!

Congratulations go to MHS Homecoming Prince KJ Lark, Princess Hailey Grounds, Queen Abigail Bolton and King Lane Lawyer.
