PIONEER CAFE

Hydroponic Gardens

We're excited to announce our new hydroponic gardens in the cafeteria at Mooreville High School and Paul Hadley Middle school! These gardens are already producing fresh herbs and lettuce for salads, giving students a true farm-to-table experience, with food grown and served right on campus.

Serving Local Foods

At Mooreville Schools, we make it a priority to serve local foods whenever reasonably possible. So far this school year, students have enjoyed fresh cucumbers, zucchini, peaches, watermelon and milk sourced right here in Indiana.

Supporting our local farmers provides fresh, great-tasting meals.
