**WES School Council Members**

Chairperson/Principal: Jennifer Barresi

Staff Representative: Andrea Doyon, Meghan Eddy (Year 1)

Parent Representative: Shawna Torpey, Vicki Graham (Year 1)

School Committee Representative: Chris Coyle
**Mission Statement**

The mission of the Abington Public Schools is to provide all students with relevant, challenging educational experiences to prepare them to be engaged, responsible citizens and members of the global community.

**District Guiding Beliefs**

*We believe in...*

- making decisions in the best interests of students.
- supporting all students in achieving success.
- fostering the physical, intellectual, technological, social, emotional, and artistic development of our students.
- creating a safe, tolerant, supportive, organized, and equitable learning environment.
- providing challenging educational experiences that build character.
- developing self-discipline and personal responsibility.
- promoting creativity, problem solving, effective communication, and critical thinking skills.
- cultivating the educational partnership among home, school, and community.
- nurturing a culture of collaboration, collegiality, and mutual respect.
- encouraging staff initiative and innovation.
- implementing professional development that is essential for effective instruction and improved student learning.
- reviewing and updating curriculum, instruction, and assessment in a regular cycle.
- recognizing that effective and appropriate technology is essential for teaching and learning.
- inspiring all students to become life-long learners.
**District Goals and Objectives**

**Teaching and Learning**

1. **To improve student performance through curriculum, instruction, and assessment.**
   1.1 Provide rigorous and relevant curriculum and instruction in an optimal learning environment.
   1.2 Analyze student performance data from a variety of sources to make informed decisions.
   1.3 Commit time and resources for meaningful collaboration and high-quality professional development.

**Technology**

2. **To maximize opportunities provided by technology to transform teaching and learning.**
   2.1 Provide all staff and students access to current hardware and software, achieving a one-to-one computing ratio.
   2.2 Develop technology literacy curriculum for all students.
   2.3 Continue to provide professional development in instructional technology.
   2.4 Provide appropriate instructional technology support.
   2.5 Commit to a regular plan to evaluate, consider, and acquire emerging technology.

**Finance and District Operations**

3. **To obtain and responsibly manage equitable, predictable, and sustainable funding for educational programs, facilities, and operations.**
   3.1 Collaborate with the community, local, state, and federal officials to obtain sustainable and predictable financial support.
   3.2 Provide transparency and encourage community participation in the budgetary process.
   3.3 Plan and secure funding through traditional and alternative sources, in order to provide state-of-the-art facilities, infrastructure, technology, and other capital projects.
   3.4 Provide relevant professional development in the area of technology to maximize data management and business continuity.

**Facilities**

4. **To provide state-of-the-art facilities.**
   4.1 Secure the necessary votes to support the renovation, expansion, and/or construction of school facilities.
   4.2 Present required Massachusetts School Building Authority (MSBA) applications and have them accepted and funded.
   4.3 Begin work on MSBA and town funded projects as soon as possible.
   4.4 Continue to avail ourselves of alternative funding sources for maintenance and upgrades to school facilities.

**Community Support**

5. **To generate strong community support for the school district.**
   5.1 Create and implement a plan to effectively communicate the achievements of the students and staff of the Abington Public Schools.
   5.2 Increase family and community participation in the educational process and the life of the schools.
   5.3 Broaden our students’ awareness of their responsibility to participate in their community.
   5.4 Build strong community support for education through the approval of the annual budget and special budget requests at town meeting.
Summary of 2022-2023 Goals

**Goal 1: Implement practices to challenge, support, and celebrate the achievement of students and staff**

- Implemented Reading Workshop as our Tier 1 core curriculum for ELA. Staff received in-depth monthly training and coaching sessions from Jen Yaeger – a consultant from Teaching Learning Alliance (TLA.)
- Promoted the effective integration and use of technology in classrooms, lessons, and other applications; a ratio of one technology device to one student, or 1:1, was achieved.
- Utilized data driven decision making to ensure students have what they need to achieve success within the domains of behavior and academics.
- Adjusted service delivery/cohorting to better meet the academic needs of our students.

**Goal 2: Create opportunities for increased community connections**

- Continued providing consistent communication through a variety of mediums, such as bi-weekly, translated newsletters to families via Constant Contact and social media.
- Continued to foster community involvement at Woodsdale through Open House, Parent Conferences, Curriculum Night and MCAS Information Night.

**Goal 3: Provide a healthy and safe learning environment through effective leadership and operations**

- Woodsdale Owl Awards - highlighted the positive social culture and behavioral supports students achieved in response to a monthly core value focus.
- Implemented ALICE emergency response protocols and provided student and staff training.
- Expanded on SEL offerings, including monthly school meetings with individual grade levels, *Morning Meetings*, snack groups and lunch bunch.
