RE: PERMISSION FOR MEDICATION ADMINISTRATION DURING THE SCHOOL DAY

When your child's Doctor decides that it is **medically necessary** for your child to receive prescription and/ or "over-the-counter" medications during the school day, this form must be completed by the parent or guardian, **signed by the Doctor** and returned to the certified school nurse, registered nurse, principal or principal's designee.

All prescription and non-prescription medication **must** be in the original container and delivered by the parent or guardian at the beginning of the school day to the certified school nurse, registered nurse, principal or principal's designee with this completed form. No more than a one month's supply of medication will be accepted and stored in the health room.

A parent or guardian is permitted to administer medication to their child during the school day but he/she must report to the school nurse or principal and administer the medication in the nurse's office.
