Dear Member of the Class of 2027,

I hope you are having a wonderful summer! We are inviting you to a special Freshman Orientation planned just for you by our mentoring program, Link Crew. This program has been designed to give you the opportunity to meet high school administrators, teachers, counselors, and your Link Crew mentors. Freshman Orientation will take place on Thursday, August 24, 2023 from 8:00 - 11:00 a.m. at Palisades High School.

In addition to receiving important information about your 9th grade year and numerous athletic and nonathletic extracurricular activities, you will participate in a guided tour of the high school and team building activities with your Link Crew student mentor; please dress accordingly (i.e.: sneakers, comfortable/appropriate attire) so you are able to participate in each activity.

Enclosed you will find the district drop spots for Freshman Orientation. We ask that you be at your closest pick-up point approximately ten minutes before the approximate pick-up time. Buses will depart from Palisades High School, to return home, at approximately 11:05 AM. Please use the attached schedule to determine an estimated drop-off time, based upon the pick-up time. If you have any questions regarding transportation, please contact Mr. Gerry Giarratana at ggiarratana@palisadessd.org, 610-847-5131 x5002.

We strongly encourage all 9th graders to attend this orientation. This special event provides an opportunity for incoming freshmen to become familiar with new surroundings, the high school’s procedures, and the high school schedule before the official first day of school.

We hope to see you on August 24th!

Sincerely,

Mrs. Amber L. Schlosser
Assistant Principal
Palisades High School
