The Wrinkle Wall Sidewinder encourages both vertical and lateral climbing as users climb up and around the curvature of the wall promoting balance, coordination and problem solving. The wall is supported by a steel frame and features several textured panels with rock climbing handholds to provide sturdy stepping surfaces and grip locations.

**Features and Benefits:**

- Promotes balance, coordination, upper and lower body strength
- Varied routes of travel with hand grips inside and out, and all around the structure
- Metal climbing rungs/supports available in all standard colors
- Panel surfaces are coated with a grey polyurea texture

**Model:** 6252  
**Use Zone:** 26' X 26'  
**Fall Height:** 8'  
**Age Group:** 5 to 12 Years

Limited Lifetime Warranty on uprights, hardware and connections. Visit [gametime.com/warranty](http://gametime.com/warranty) for full warranty information.
