Dear MHS Families, Caregivers and Staff,

Due to the uptick in COVID-19 cases at the High School today, and in consultation with the Montclair Department of Health, we will implement universal masking for a 10-day period beginning tomorrow, Wednesday, May 4 through Friday, May 13. This means all students and staff members at the high school will need to wear masks during the school day for this 10-day period.

In the event someone forgets to bring a mask, we will supply it.

Thank you for your cooperation.

Sincerely,
Dr. Jonathan Ponds
Superintendent
