Dear Families/Caregivers and Staff,

Our district is aware that there is a nationwide Tik Tok trend expressing school violence on December 17. We are working closely in partnership with the Montclair Police Department, our School Resource Officer and all administrators to ensure that everyone is aware of these social media postings. We are vigilantly monitoring the situation. We are not aware of any threat to Montclair Public Schools at this time. Please know that we are fortunate to have a strong partnership with the Police Department and have been communicating with them regarding this matter. We have safety protocols established and always keep the safety of our students and staff our first and top priority. We appreciate your partnership, and ask that if you see or hear anything you report it to your school principal, as we work together to keep students and staff safe.

Sincerely,

Dr. Jonathan Ponds
Superintendent
