Happy Ramadan, Happy Passover, and Happy Easter to all of our staff, and families who are observing!

Student Council: Toni’s Kitchen

The student council hosted a school-wide toiletry collection for Toni’s Kitchen in early March. Jennifer from Toni’s Kitchen provided the student council with a list of the current needs. The students created fliers and made announcements each morning to encourage donations. They collected a total of 150 items. This included shampoo, conditioner, bar & liquid soap, deodorant, face wash, sunscreen, toothbrushes, toothpaste and lotion. Here is an image of the student council class representatives with the collection bins.
