Parent Bulletin: January 6, 2023

Authors’ visits:
Due to an overwhelming vote by the 4th and 5th grade students to meet Ibtihaj Muhammad, Ms. Muhammad will present her book to the whole school!

Also extended the book purchase order until Monday!!

Willie Mae Brown, an acclaimed speaker, and artist will be sharing her powerful narrative on what it was like growing up in the south during the Civil Rights Movement.
In Service Day Donations:
Please review the Dr. King’s In Service Day Flyer to learn about the organizations we are supporting and how you can help!

Excused Absences:
Parents have been reaching out to me about getting an attendance notice and thought that as long as they have a medical note it will be excused. Unfortunately the state of NJ does not accept medical situations as excused absences. The full report on how to address school attendance and what is considered an excused absence will be attached in the email.

Nurse’s Corner:
If your child is absent due to an illness please notify Nurse Dowling, pdowling@montclair.k12.nj.us or ext.4155 so she can check in on the student upon return.

Sibling coming to Bradford?
If you have a youngster who will be attending Bradford next year as a Kindergarten student, please fill out the sibling form (it will be attached in the email) and return it to the office by January 27th. Thank you.
