Buzz Aldrin Mission Statement:
We believe that all students can learn, achieve, and grow, in a safe and secure environment.

- **AAPI Lunar New Year Celebration:** Last Saturday, Montclair’s AAPI organization held their annual Lunar New Year Celebration at the Montclair Art Museum. It was wonderful to see so many people attend the Lunar New Year celebration. Additionally, I was so pleased to see how many Buzz Aldrin parents, students, and alumni who attended, volunteered, and participated. Well done! It was a beautiful celebration.

- **Self-Care Advisory:** This week, our students participated in a Self-Care advisory during extended homeroom. They learned the definition of self-care, it’s importance in relation to mental wellness, and discussed ways to practice self-care. They learned the seven pillars of self-care: mental, physical, emotional, environmental, spiritual, recreational, and social. They then discussed strategies for how to practice self-care within each pillar and shared self-care practices they would like to try or currently use. Please see some conversation starters to use at home:
  - Why is self-care connected to mental wellness and mental health?
  - What are some ways that middle schoolers can practice daily self-care?
  - Identify one self-care strategy for each pillar that you can practice to improve your overall mental wellness.

- **Black History Month:** As you may know, February is Black History Month. To kick off Black History Month, we began morning announcements that the students hear each day. We will continue with advisories and other activities throughout the month. Thank you to Ms. Zetta Cool and the Black History Month committee for coordinating these efforts for the Buzz Aldrin community.

- **PTA’s Casino Night Fundraiser:** Last night’s Casino Night fundraiser was a blast! For those of you who attended yesterday evening’s fundraiser, I hope you enjoyed yourselves. It was wonderful to see so many parents and staff members in attendance, and we are thankful for your support in attending and contributing donations with these community events. The mood and the atmosphere were electric! I am so grateful to our amazing PTA board for their tireless work in coordinating this event for our school. It is the dedication and the persistence of our PTA that assists our school in the many activities, events,
and opportunities we provide the Buzz Aldrin students. Thank you so much to Courtney Redfern, Rick Muller, Stella Psaroudakis, Jennifer Escobar, and Melissa Thorpe for organizing such a fun event. Thank you to the staff members who came to support. It was awesome to see the staff and parents have such a fun time mingling, dancing, and enjoying each other’s company. Finally, thank you to the anonymous donor who matched all the donations from Casino Night. Your selflessness, generosity, and kindness are greatly appreciated.

- **NJHS Souper Bowl:** It’s “Souper Bowl” time! The National Junior Honor Society is participating in the Tackle Hunger Challenge next week. Students are encouraged to participate by bringing in canned food items. (Please check expiration dates!) All donations will go to Toni’s Kitchen to help local families in need. The BAMS "Souper Bowl" will begin on Monday, February 6th and end on Friday, February 10th. This year we will be competing against Glenfield’s NJHS to see which school can collect the most cans. NJHS students should check Google Classroom for more information about how to help with this event.

“Never be limited by other people’s limited imaginations.”

— Dr. Mae Jemison

“I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality.... I believe that unarmed truth and unconditional love will have the final word.”
