Dear Families and Caregivers,

Thank goodness the air quality is improving. Just in time for the ECO FAIR!! Come to Bullock on Sunday to participate in this year’s Eco Fair. Parent volunteers have put in a lot of time and effort behind the scenes to make this day happen. Come see the many ways your children have engaged in environmental activities too! Check out the attached flyer for more details.

The Repair Cafe desperately needs volunteers. If you’re the handy type, please consider signing up for a slot. Repair Cafe Sign Up
