This Month begins March Madness for our staff. We will be participating in different team building games and activities throughout the month. The children will get to see their teachers playing, laughing and working together which is sure to put a smile on their faces.

Restorative Justice (RJ) is an indigenous philosophy that emphasizes building relationships. If there is a need to repair harm caused by conflict and wrongdoing, restorative justice provides an opportunity for everyone impacted by an incident to come together in a safe space to address their feelings and needs, and reach a resolution that heals and restores relationships.
