○ Evaluating educational equity
○ Ensuring a welcoming school environment for all students
○ Effective family advocacy, communication, and engagement
○ Offering volunteer opportunities for family and community engagement
○ Partnering with MFEE to provide training for staff and parents
○ Educating families to support learning at home

Established Mission Statement and the Northeast SATp “Why”! Continue with the previous year’s mission statement as it is still relevant and encompasses the goals and perspective of the Northeast Community.
SATp Mission Statement

Northeast Elementary School Action Team for Partnership
Mission Statement: 2021- 2022
Northeast School is a community that embodies a spirit of welcome to all its members and fosters academic, emotional, physical and artistic growth. We respect all people. Our global studies magnet theme is designed to reinforce these values. We are dedicated to providing learning experiences to develop global citizens who are kind to others, celebrate diversity, and who do not tolerate racism or discrimination of any kind. We believe in:

- Supporting high academic achievement for all students
- Being lifelong learners
- Studying diverse cultures
- Examining and improving practices and behaviors to ensure equity

Please refer to the Northeast SATp Jamboard
