HIGH SCHOOL ATTENDANCE POLICY

Policy JBD : Absences and Excuses Status : ADOPTED

Original Adopted
Date: 11/04/1986 | Last Revised
Date: 05/20/2019

It is impossible for a student to realize the benefits of the public school program unless the student attends school regularly.

1. DEFINITION

Truant – any child subject to compulsory attendance who during the school calendar year has more than five days of unexcused absences. Georgia code 20-2-690.1 mandatory education for children between ages six and 16. Georgia code 20-2-150 all children enrolled for 20 school days or more in the public schools of this state prior to their seventh birthday shall be subject to all provisions of code sections 20-2-690 through 20-2-701.

2. REQUIREMENTS

a. School days missed as a result of an out of school suspension shall not count as unexcused days for the purpose of determining student truancy.

b. The Douglas County Board of Education will excuse students from school under the following circumstances:

1. Personal illness or attendance in school endangers a student's health or the health of others.
2. A serious illness or death in a student's immediate family necessitating absence from school.
3. A court order or an order by a government agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. A period not to exceed one day for registering to vote or voting in a public election.
7. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five school days per school year, for the days or days missed from school to visit with his or her parent or legal guardian prior to such parents or legal guardians deployment or during such parents or legal guardian leave.
8. A student whose parent or legal guardian is currently serving or has previously served on active duty in the U.S. armed forces or in the Reserves or National Guard on extended active duty may be granted excused absences, up to a maximum of 5 school days per school year, not to exceed 2 school years, for the days missed from school to attend military affairs sponsored events, provided the student provides documentation prior to the absence. The documentation must come from a care provider at or sponsored by a U. S. Veterans Affairs medical facility or from an official of an event sponsored by a veterans organization that qualifies as a 501 (c)(19) tax-exempt corporation under the IRS Code. In determining whether to grant or deny a request for absence under this provision, the
principal or designee may consider the student’s attendance record.

9. Any other absence not explicitly defined in this policy but deemed to have merit based on circumstances as determined by the Superintendent or his/her designee.

c. Students will be counted present when they are serving as pages of the Georgia General Assembly. Students in foster care will be counted present when attending court proceedings relating to their foster care.

d. Final course grades of students shall not be penalized because of absences if the following conditions are met:

1. Absences are justified and validated for excusable reasons.

2. Make up work for excused absences was completed satisfactorily.

e. The Douglas County Board of Education has adopted policies and procedures to reduce unexcused absences that include:

1. Requiring the schools to notify the parent, guardian or other person who has control or charge of the student when such student has five unexcused absences. The notice shall outline the penalty and consequences of such absences and that each subsequent absence shall constitute a separate offense. After two reasonable attempts to notify the parent, guardian or other person who has charge of the student, the schools shall send written notice by first class mail or via certified mail with return receipt requested; and

2. Requiring the schools to provide the parent, guardian, or other person having control or charge of each student enrolled in public school a written summary of possible consequences and penalties for failing to comply with compulsory attendance. By September 1 of each school year or within 30 school days of a student’s enrollment in the school system, the parent, guardian, or other person having control or charge of such student shall sign a statement indicating receipt of such written statement of possible consequences and penalties. In addition, students age ten or older by September 1 shall sign a statement indicating receipt of written statement of possible consequences for non-compliance to the local system’s policy.

3. The Douglas County Board of Education shall implement a progressive discipline process and a parental involvement process for truant students before referring the students to the juvenile or other court having jurisdiction. Parents shall be notified by certified mail, return receipt requested, prior to initiation of court proceedings for violation of compulsory attendance laws.

4. The Douglas County Board of Education has adopted as a part of the student code of conduct developed pursuant to O.C.G.A. 20-2-735 a definition of truancy that contains the minimum standards established by State Board of Education Rule 160-5-1-.10 Student Attendance and a summary of possible consequences and penalties for truancy. The summary of possible consequences for students includes possible dispositions for Children In Need of Services in accordance with the juvenile code, including the possible denial of a driver’s license or permit for a child.

5. When a student desires to withdraw from school, he/she must have the written permission of his/her parents or guardian if under the age of eighteen prior to withdrawing. Prior to accepting such permission, a school administrator shall make a reasonable attempt to have a conference with the student and parent/legal guardian within two school days of receiving notice of the intent of the student to withdraw. The purpose of the conference is to share with the student and parent/guardian educational options available and the consequences of not having earned a high school diploma.

In order to receive maximum benefit from the instructional activities, students are expected to be in school each day unless
excused for legitimate reasons. Good attendance habits positively impact the learning process and carry over into the world of work. While teachers and administrators are charged with the responsibility of providing worthwhile daily activities for students, the student and their parents must assume responsibility for being punctual and demonstrating regular attendance. It is the position of the Douglas County Board of Education that every day at school is important and that no student ever be absent except for extraordinary reasons. To emphasize the importance of good attendance, and to provide consistency throughout the school system.

**Attendance Regulation JBD-R(1): Absences and Excuses**

1. Absences will be classified as excused or unexcused.

   Excused absences are those due to emergencies such as:
   
   A. Personal illness or attendance in school endangers a student’s health or the health of others.
   B. A serious illness or death in a student’s immediate family necessitating absence from school.
   C. A court order or an order by a governmental agency, including pre induction physical examinations for service in the armed forces, mandating absence from school.
   D. Observing religious holidays, necessitating absence from school.
   E. Conditions rendering attendance impossible or hazardous to student health or safety.
   F. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parents or legal guardians deployment or during such parents or legal guardian leave.
   G. Any other reason approved by the Georgia State Board of Education. Students shall be counted present when they are serving as pages of Georgia General Assembly.

   Unexcused absences are all failures to attend school other than those specifically excused by the administration.

2. Absences and tardies will be recorded in each class. Absences and tardies from school will be recorded on the student permanent record. A student must be present at school for at least one-half of the required instructional time to be counted present for the day.

3. A high school student must be enrolled in each course a minimum of 130 clock hours per semester (including days transferred from other schools) to receive Carnegie unit credit for the course. A student must be present every day except those determined to be excused absences. A clock hour is defined as 60 minutes of instructional time.

4. If a student is absent from school, the student must bring a note with the signature of a parent, doctor, dentist, judge, etc. stating the date and reason for absence. This written excuse must be presented to the appropriate teacher(s) within three (3) school days of the student’s return to school from the absence. This is the responsibility of the student. The principal will resolve any question in determining whether an absence is excused or unexcused.

   All work missed due to an excused absence must be made up by the student within a reasonable time, or receive zeros in work missed. It is the student’s responsibility to make arrangements with the teacher for make-up work.

   In order to participate in an extracurricular or after school activity, a student must be in attendance on the school day of the activity. Unexcused absences will result in no credit for work missed.

   A student who misses one-half or more of a class period (unexcused) will be counted absent for that class.

   For each absence beyond ten (10), students must bring an excuse from a doctor, dentist, health center, court, etc. for the absence(s) to be excused.

5. Individual teachers (in grading policies) or schools will provide incentives for good attendance.

6. Any parent, guardian, or other person having control or charge of any child or children between the ages of six and sixteen
shall send such child or children to school. On the sixth unexcused absence a violation of this code (O.C.G.A. 20-2-690.1) will result in said person being guilty of a misdemeanor. Upon conviction thereof, shall be subject to a fine of not less than $25.00 nor greater than $100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties.

Two reasonable attempts to notify the parent/guardian will be made by the school on the fifth unexcused absence. If no response is achieved the school shall send a notice by certified mail, return receipt requested. Each days absence from school after notification on the fifth unexcused absence shall constitute a separate offense.

7. Student parking at Douglas County School System high schools is a privilege provided for high school students who purchase a parking decal. High school administrators may suspend a student’s parking privilege for the remainder of the semester for leaving campus without prior authorization, for truancy, or for having six unexcused tardies to school. The suspension of parking privileges will extend for at least forty-five (45) days. If a semester has less than forty-five (45) days remaining when the suspension occurs, the balance will be served at the beginning of the next semester or school year. There will be no refund for the cost of the parking permit. At the conclusion of the suspension of parking privileges, the student may reapply and purchase a parking decal if parking space is available.

**ENROLLMENT REQUIREMENTS FOR DRIVERS LICENSE**

A Certificate of Enrollment must be filled out by a school official and presented to the Department of Public Safety within 30 days for a student to obtain his/her license. The charge for this service is $2.00.

- SB 100 ([http://www.legis.ga.gov/Legislation/20152016/154057.pdf](http://www.legis.ga.gov/Legislation/20152016/154057.pdf)) was signed into law on April 16, 2015. SB 100 makes significant changes to the Teenage and Adult Driver Responsibility Act (TAADRA) by eliminating the requirement for schools to submit noncompliance data for students with excessive unexcused absences and certain discipline infractions.

- Effective July 1, 2015, schools will simply have to certify that a student is enrolled in and not under expulsion from a public or private school to be eligible for a driver’s license or learner’s permit. A new Certificate of Enrollment form will be available for schools to certify that a student is eligible for a driver’s license or learner’s permit. The new Certificate of Enrollment form will replace the Certificate of Attendance and the Certificate of Eligibility for Restoration of Driving Privileges form that schools previously used. The new Certificate of Enrollment form developed by the Georgia Department of Driver Services is posted on the GaDOE website.

MATERIALS REVIEW

Textbooks and supplementary materials are available for review by contacting the principal’s office.

CURRICULUM INFORMATION

Students and parents can get information about curriculum, instruction, advisement, or scheduling by contacting the principal, the assistant principal for instruction, the counselor, or the classroom teacher. Every student has an advisor who can also be helpful in getting this information. Graduation requirements are very exact, so never hesitate to ask if you have questions. Refer to the course offering book/school website and for further course description, contact course department heads.

The Grading Policy is as follows:
All grades taken on assignments, tests, and/or projects shall be recorded in Infinite Campus (high school courses) or Banner (college courses). Final grades will be entered into Infinite Campus.

For EOCs, incompletes will be converted to a numeric grade once the EOC is completed by the student or the student is given numerous opportunities to take the test and a zero is awarded for the EOC score. For missing exams or major grades, students have ten days or at the discretion of the building principal to complete the missing items.

Late Work
Late work is classified as work not turned in on time, but not due to excused or unexcused absence. The penalties for failing to turn in work on time will be determined by the classroom teacher. ADVISEMENT MATERIALS

There are numerous advisement activities during the year when handouts will be distributed to students and parents regarding graduation requirements, postsecondary education opportunities, college admission standards, and career information. In the spring, the school system will publish a course catalog that will contain information that will assist students in selecting courses. The student’s advisor will schedule a time for the advisor, student, and parent to meet regarding the student’s program of study.

COUNSELING
The CCI counselor strives to reach every student in the areas of academic support, career guidance and personal/social interventions. Through our counseling curriculum, intentional guidance, individual support and specialized interventions, it is our goal to empower all students with the skills they need to graduate and prepare for life after high school. The counselor is available to students between 8:00 a.m. and 3:30 p.m. unless there is an immediate emergency. Students should always get a pass from a teacher to go to the counselor’s office.

The high school counseling program is designed to build onto and expand the services offered in elementary and middle schools in Douglas County. The program includes personal and group counseling, career counseling, credit verification, course planning, interpretation of standardized test results, consultation with parents and teachers, group work, and classroom guidance.

**TEXTBOOKS AND OTHER SCHOOL PROPERTY**

Textbooks and other materials for the high school courses are supplied by the Douglas County School System and are paid for by tax dollars. Textbooks for college courses are supplied and paid for by West Georgia Technical College. All books are issued to your child as borrowed property. Consequently, your child will be held responsible for damage and/or loss of books issued to them. Collection of funds for lost or damaged college books is handled by the Student Services office at WGTC.

All holds/financial obligations must be cleared by the last day of the semester. Materials will not be issued for the next semester until textbooks, library books, and classroom equipment have been cleared for the previous semester. In addition, grade reports, records, and diplomas will be withheld until these obligations are cleared.

**TECHNOLOGY**

The administration, faculty, and staff believe that the Internet is a powerful educational tool when used appropriately. Further, we believe that this technology’s vast scope and worldwide nature are consistent with educational goals related to making students aware of the larger environment in which they live. Finally, we believe that the appropriate use of the Internet is this shared responsibility of the school and home. The following policy, regulation, and exhibits are designed with these beliefs in mind.
1. The policy for appropriate use of the Internet developed and approved by the Douglas County Board of Education is adopted in its entirety.
2. Every student and his/her guardian must read and sign the Internet policy statement prior to using the technology. Record of this agreement will be maintained in the student’s records.
3. Students will not use the World Wide Web, new-groups, file transfer protocol (FTP), search engines, chat rooms, or other Internet methodologies to access sex, drug, alcohol, or similar sites inappropriate for a typical high school classroom. Accessing inappropriate sites and/or transferring inappropriate files are zero tolerance offenses. Students violating this section of the policy will be suspended from further Internet use.
4. No student shall attempt to order goods or services, enter any pay-for-service area of the Internet, or in any way attempt to encumber school funds through sources available on the Internet. Any action taken by a student that results in a cost (loss) to the school will result in his/her being suspended from further Internet use. Further, the student and his family are liable for any charges incurred by the College and Career Institute.

The only exception to this rule would be if a teacher/instructor gives permission based on a specific instructional reason. However, students should not be using their cell phones to make calls during lunch without permission from an administrator.

**Ear Buds / Headphones**
